Where did you hear about us?	

Please note: Wish Lantern reserve the right to cancel the display due to conditions that are out of our control. As the Wish Lanterns can not be launched in windy or rainy conditions, we reserve the right to cancel the display if the weather on the day of the event is considered unsuitable to launch the lanterns. Similarly, safety is always Wish Lantern's top priority, so if Wish Lantern deems the venue of the display launch unsuitable for safety reasons, we reserve the right to cancel the display. However, in the event of a cancellation made by us, we will leave the lanterns with you so they can be launched at a later date and only charge you for the lanterns, not for the display team's time.
